2) The files relating to the grant of Special allowances of Rs 150 to European Professors of the University (who were drawing Rs 1000) in 1925 are put up. This allowance seems to have been given in view of the fact that the pay of posts in the Indian Educational Service had been raised some time previously.

3) The University have not assigned any reason for proposing an allowance of Rs 100 p.m. under present circumstances. Whether it is necessary is for consideration

4) The draft advertisement may be appd. It seems necessary to offer Rs 100 in addn to the pay of Rs 400 in the grade. At the meeting of the V-C with the Dewan on 3.9.37 the Member has expressed the fear that a good teacher may not come out for Rs 500 even. He thought that it might be necessary to offer Rs 600 or Rs 700. This advertisement may perhaps be however tried and a higher offer made if no suitable person applies in response to this advertisement.
